- 5. PRICE FOR THE VIDEO SERVICES AND PAYMENT TERMS**
- 5.1. LIVE+, RECORD3 and RECORD7 Video Services are provided for a fee, and the Provider's current price list is always available on the Website. - 5.2. The Provider may choose to provide some of the LIVE+, RECORD3 and RECORD7 Video Services free of charge for a limited period of time, to the extent in its sole discretion, as well as to offer the User a temporary period of free trial or use at a reduced price. To the extent specified by the offer, the User will not be obliged to pay for the relevant Video Service for the period of effect of such offer. This is without prejudice to any other provisions of these PVV or any payments already made for the provision of Video Services in the previous period.
- 5.3. Any changes in the prices of the Services are published by the Provider on the Website in good time by changing the price list and, in the case of a Video Service used by the User, by an addressed electronic communication to the User.
- 5.4. Any price changes will be automatically taken into account by the respective provider of the payment gateway service used for the payment of subscription prices for Video Services without the User having to take any action. However, if the User is not interested in further provision of a Video Service after a price list change, the User must terminate the payments in the settings of the Services in the User's Account.
- 5.5. The User is entitled to terminate the contract for the provision of the Video Service subject to the price list change on the effective date of the price list unilaterally by notice.
- 5.6. Payment terms.

 - 5.6.4. The user may cancel the automatic payment at any time in the User's Account by setting up another Video Service related to the Camera. The change can be made either with effect from the end of the subscription period or immediately.
 - 5.6.5. Invoices containing the billing of the price of the Video Service provided are always sent to the User at the e-mail address provided by the User when setting up the payment, and are also available to the User in the User's Account.
 - 5.6.6. Should the contract for the provision of any of the Video Services be terminated unilaterally by the User before the utilisation of an already paid subscription, the relevant part of the unused subscription belongs to the Provider; it is not returned to the User.

6. LIABILITY OF THE PARTIES

- 6.1. Limitation, maintenance. The Provider reserves the right to limit, temporarily and for a necessary time, provision of a Video Service, mainly due to updates and maintenance of Cloud JABLOTRON. As a result, some or all of the essential features of the Video Service may not work for a temporary period, e.g., the online view may not be available in the Account, it may not be possible to save Video Sequences, or the transmitted image may not be recorded.
- 6.2. Quality guarantee.

- 6.2.1. The Provider calls the User's attention to the fact that the provision of any Video Service is not subject to any quality guarantee.
- 6.3. Provider's liability for a harm to the User. Provider's liability for a harm to the User in connection with the use of a Video Service is subject to joint arrangements stipulated in par. 14.2 of the TCU.
- 6.4. Personal data protection principles. Personal Data that may be contained in Video Sequences or recordings are processed in accordance with the principles stipulated in the Privacy Policy the User is acquainted with before commencement of use of the User's Account.
- 6.5. In view of the fact that the provision of Video Services is dependent on the performance and functioning of a number of other entities, services, processes and equipment over which the Provider has no exclusive or majority control, all the Provider's obligations, statements and assurances may always be interpreted and applied exclusively to those entities, Video Services, processes and equipment under the Provider's exclusive or majority control. Especially, the Provider is or may not be under any circumstances responsible for the functioning of the internet connection, GSM/GPRS and similar networks, the quality of these networks and connections, or the functionality of any hardware and software which is not under the Provider's control.
- 6.6. The User is responsible especially for:
 - 6.6.1. ensuring an internet connection of the Camera with a sufficient capacity for a fully functional transmission of image, recordings and Video Sequences to the data storage;
 - 6.6.2. timely and properly informing the Provider of any change in the User's identification or contact details, as well as for the User's availability to be contacted by the Provider with respect to provision of assistance necessary to deal with any obstacles to the provision of a Video Service.
- 6.7. Protection of third party rights.
 - 6.7.1. All video recordings recorded by the Camera belong to the User, and solely the User decides whether to record them and for what purpose.
 - 6.7.2. The User is aware of the User's obligation to mind the rights and legitimate interests of any third parties that may be captured in the recordings.
 - 6.7.3. The User is fully responsible for complying with all legal obligations imposed in this context by Applicable Regulations, in particular regarding the protection of personal data and the protection of personality.
- 6.8. Protection of the Provider. The User is aware that by allowing another person to access the User's Account, the User effectively allows that person to enter into a contract for the provision of a Video Service on behalf of the User or to make other legal acts in the User's Account (e.g., to conclude a Data Processing Agreement). Furthermore, the User is aware that the Provider considers every person who uses the User's login credentials to be the User. THE PROVIDER RECOMMENDS THAT THE USER ALWAYS CONSIDER RESPONSIBLY WHETHER TO ALLOW ANOTHER PERSON TO ACCESS THE USER'S ACCOUNT.

7. TERM OF THE CONTRACTUAL RELATIONSHIP

- 7.1. The contractual relationship provided for by these PPV terminates no later than with the expiry of the Effective Period of the VPU.

- 7.2. As a principle, the contract is concluded for a fixed term, i.e., the period for which the User subscribed to the relevant Video Service or for the period of utilisation of the temporary period of free use (trial).
 - 7.2.1. The agreed period for paid Video Services may be repeatedly extended by the User by timely payment of the subscription.
 - 7.2.2. The User is entitled to unilaterally cancel the contract at any later date, in particular by arranging another Video Service related to the Camera, or by notice without a notice period.
 - 7.2.3. The contract on the provision of the respective Video Service terminates automatically when the Camera or the JABLOTRON100+ switchboard related to the use of the Camera is removed from the Cloud JABLOTRON.
 - 7.2.4. If the User is a Consumer, in addition to the rights set out in these PPV, the User also enjoys all rights related to a unilateral termination of the contract arising from the Applicable Regulations.
 - 7.2.5. The contract on the provision of the respective Video Service terminates if the User fails to pay the subscription regardless of the reason (i.e., for example, due to lack of funds in the account from which the subscription is paid, failure to update of the credit card data, blockage of funds due to distraint on the User's assets, malfunction of the payment gateway, etc.).
- 7.3. The Provider is entitled to terminate the contract at any time without cause.
 - 7.3.1. There is no period of notice, therefore, the notice of termination takes effect upon delivery to the User.
 - 7.3.2. The notice of termination is sent to the User's E-mail address. The User is obliged to confirm, without delay, to the Provider the delivery of the termination notice by sending a notification to the Provider's email address from which the User received the Provider's notice of termination. No later than the next day after sending the notice of termination to the User, the Provider will activate the free LIVE Video Service for the User.
- 7.4. The contract will also terminate automatically when the User's access to Cloud JABLOTRON is cancelled or the User's Account is terminated for any of the reasons set out in the relevant provisions of these PPV or TCU.

- 8.3. The Effective Period of Successor PPV becomes the new Effective Period of the PPV upon the end of the Effective Period of the PPV.
- 8.4. If the Provider publishes a notice in the Account stating the date on which the effect of PPV terminates, the effect of the PPV will terminate on that date. Such notice will be published in the Account at least 3 (three) months before the termination date of the PPV.
- 8.5. Successor PPV.
 - 8.5.1. The Provider continuously develops, improves or extends the functional and user capabilities of Video Services, optimizes their provision including

adaptation to changes in the market, changes in prices or conditions of performance and supply of third parties, proceeds to various changes in the technologies used to or in the provision of Video Services, etc. At the same time, there are continuous changes in the legislation relating to the provision of Video Services, or changes in their interpretation or in the decision-making practice of the authorities concerned. FOR THESE REASONS, IT IS NECESSARY THAT THE PROVIDER REPLACE THESE PPV FROM TIME TO TIME WITH SUCCESSOR PPV.

- 8.5.2. Users are notified of any changes to the PPV through Provider's notifications published in the User's Account and at the same time through notifications sent to Users' Email addresses.
- 8.5.3. CHANGES WILL BE ANNOUNCED IN ADVANCE AND THEY COME INTO EFFECT:

- 8.5.4. IF THE USER DOES NOT AGREE WITH THE SUCCESSOR PPV, THE USER IS OBLIGED TO STOP USING THE VIDEO SERVICE USED BY THE USER, REJECT THE CHANGES AND TERMINATE THE CONTRACTUAL RELATIONSHIP WITH THE PROVIDER FOR THIS REASON. THE PERIOD OF NOTICE COMMENCES ON THE DATE OF DELIVERY OF THE NOTICE OF TERMINATION TO THE PROVIDER AND LASTS:

 - b) in the event of changes pursuant to subpar. 8.5.3(b) OF these PPV THREE (3) MONTHS.
- 8.6. A Video Service may only be used under the conditions specified in the effective PPV. THEREFORE, WHERE THE USER USES A VIDEO SERVICE, LOGS INTO THE ACCOUNT OR OTHERWISE USES THE CLOUD JABLOTRON, IT WILL BE DEEMED THAT THE USER ALSO EXPRESSES, THROUGH THIS FACTUAL ACT, AGREEMENT WITH THE EFFECTIVE PPV AND THE USER'S WILL TO BE BOUND BY THEM.

9. FINAL PROVISIONS

- 9.1. Unless stipulated otherwise herein, rights and obligations of the User and the Provider are governed by the TCU then in effect.
- 9.2. In the event of a conflict between these PPV and the TCU, these PPV take precedence over the TCU.
- 9.3. Severability. Should any provision hereof become invalid or unenforceable or should it be found as such by a competent court or any other authority with the power to issue binding decisions or findings, this fact shall not affect the validity or enforceability of other provisions in these TCU; however, the User in such case undertakes to negotiate

with the Provider without undue delay, but no later than within five (5) days of the Provider's notice, a new agreement, a valid and enforceable one, the purpose of which will, if possible, correspond to the original provisions or will at least aim to achieve the purpose that is the closest to the original provision.

- 9.4. Language version, governing law. These PPV are translated into several versions; in the case of any discrepancy between the various language versions, the Czech version prevails. Since the Provider has its registered office in the Czech Republic, where essential technical aspects of Cloud JABLOTRON are also located, these PPV are governed and are to be interpreted in accordance with the laws of the Czech Republic. In the event of a trial with the Provider, the Parties agree on local jurisdiction of the court in the district of which the Provider has its registered office.
- 9.5. Failure to exercise a right. Any failure of the Provider to exercise or enforce or not insisting on any of its rights or remedies to protect rights the Provider is entitled to under these PPV or under the Applicable Regulations, the User agrees that such conduct of the Provider will not be considered a waiver of such a right by the Provider.
